Message

“No one can do everything, but everyone can do something.”

This is the ethos of the President’s Challenge ‘Start Small Dream Big’ initiative where our young ones give back to the community through simple everyday acts of care and kindness.

Launched by the Early Childhood Development Agency in 2015 with just 150 preschools, there are now 670 preschools participating in this movement. Our youngest have shown us that no one is too young to contribute to the community, and that every little effort counts.

I recently visited some of our young volunteers and was touched by how fervent the children were in their effort to make pencil holders and photo frames to raise funds for the President’s Challenge. Seemingly simple, these acts of kindness go a long way in strengthening our social fabric.

I thank all the children for joining us on this journey. I would also like to express my appreciation to the teachers, parents, and community partners for supporting our children in their meaningful endeavours. It is with your support that our children are able to embark on their journey of giving. I am confident that the ‘Start Small Dream Big’ initiative will continue to inspire kindness and generosity among Singaporeans, so that together we can build a more caring and inclusive society.

Mdm Halimah Yacob

President of the Republic of Singapore

Message

As a nation, how we raise our children will shape Singapore. We need to provide our young with a holistic education, maximise their potential and nurture them into good citizens who know their responsibilities to family and society.

I thank the Early Childhood Development Agency for initiating the President's Challenge 'Start Small Dream Big' project. It inculcates volunteerism from a young age and encourages our children to make it a way of life. Through community projects, they show love and care for the people around them. They also learn positive values such as kindness, compassion, respect and empathy. These are building blocks for our children to lead a happy and fulfilling life.

This year, children from 670 participating preschools have collectively contributed more than a million hours of community service. They have also raised over \$250,000 in donations to various charity organisations. Their efforts exemplify the spirit of President's Challenge in helping and giving.

I commend the teachers, parents and community partners for working together to inculcate values in our little ones through 'Start Small Dream Big'. No one can do everything, but everyone can do something. All it takes is a little kindness from every one of us.

Minister for Social and Family Development

Foreword

Quality early childhood education lays a strong foundation for our children's holistic development. It imparts skills and values they need for life. To support the holistic development of children, we launched the President's Challenge 'Start Small Dream Big' movement in 2015.

'Start Small Dream Big' creates valuable opportunities for preschools, parents and the community to work together to build character and inculcate strong values in our children through community service projects.

Over the past few years, the 'Start Small Dream Big' movement has taken root. This year, some 39,000 children from 670 preschools participated in this movement. This is almost a 5-fold increase, from 8,000 children from 150 preschools in 2015. Our children have given their time and talent to contribute to worthy community causes, ranging from helping our elderly and the disabled, to caring for our environment.

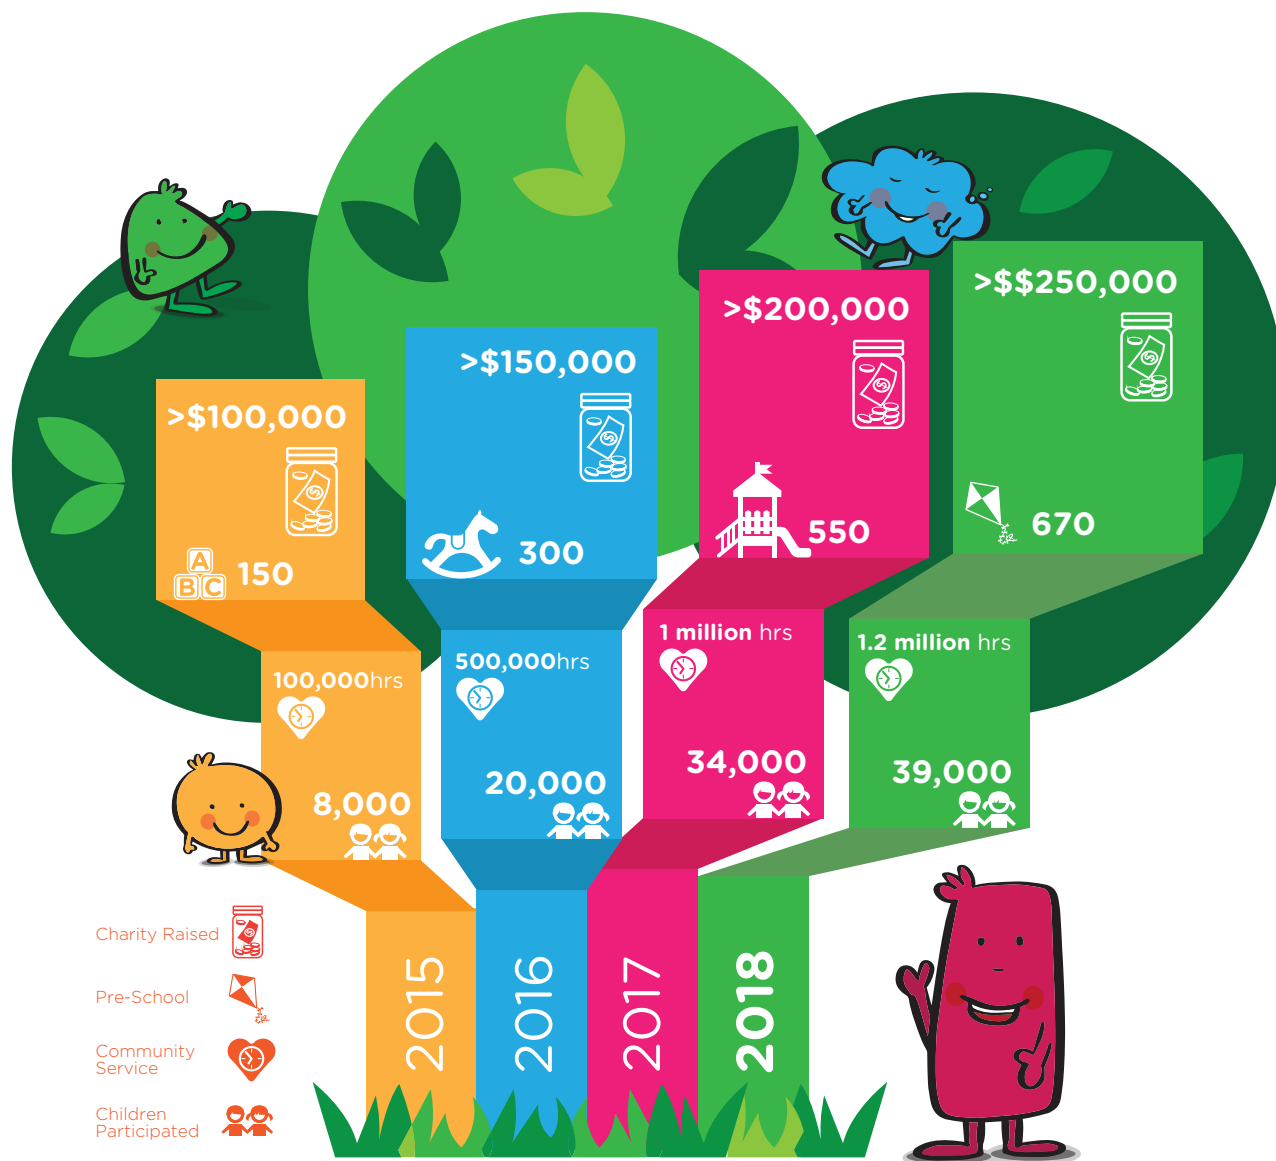

Thank you to all early childhood educators, parents, grandparents, and community partners who have supported our young ones in their 'Start Small Dream Big' projects. We look forward to our continued partnership in giving every child a good start in life!

Centres celebrate!

SSDB centres carried out their own project launches throughout the month of April! Parents also joined the launch parties to find out more about SSDB and the community projects their children would be embarking on!

Caring For Others Together!

The theme for Start Small Dream Big' 2018 is "Caring for Others Together". The aim is to inspire our young ones to contribute towards building a culture of care, consideration and contribution, through simple everyday acts of care and kindness.

Minister Desmond Lee visited My First Skool @ 10 Jurong West on 12 April 2018 to support the launch of this year's 'Start Small Dream Big'. NTUC My First Skool contributed to the 'Start Small Dream Big' movement by developing resource materials on service learning, in the form of a storybook for children. The storybook, written in the four main languages, features children learning life skills through acts of consideration and care.

Caring For My Friends!

On 13 June 2018, Senior Parliamentary Secretary Assoc Prof Muhammad Faishal Ibrahim joined the preschoolers of My First Skool @ Yishun Blk 612 in a Ramadhan iftar session with children from Pertapis Children's Home. Their 'Start Small Dream Big' project, "Tiny Hands Can Make a Big Difference" centers on the theme of "Caring for My Friends". With the support of their parents and teachers, the centre not only raised funds for the Home, but also provided enriching social experiences through meaningful interactions among the children.

President Shows Support To SSDB!

President Halimah Yacob joined the children of PCF Sparkletots @ Pioneer Blk 661B in making crafts out of paper mache, as part of their 'Start Small Dream Big' project. The project has given the preschoolers opportunities to learn and care about the environment, and at the same time, to give back to society. Together, their paper mache creations raised funds for beneficiaries of the President's Challenge!

Loving is Caring

Chen Su Lan Methodist Children's Home (Child Care)

The school embarked on a mission to show that love is caring, partnering with Singapore Kindness Movement to facilitate activities with the elderly at Ling Kwang Home for Senior Citizens. They shopped for goodies and designed Star Cards with well-wishes for the elderly, and performed for them during the National Day celebration. They sang and danced to songs such as 'Tong Yao' and 'Rasa Sayang', and it was a memorable experience for everyone!

A warm smile is the universal language of kindness."

- William Arthur Ward

Young Entrepreneurs and Kindness Day

Cherie Hearts @ Charlton

The little Cherians planned for an Entrepreneurs Day carnival, and sold snacks, drinks and unique items to parents and family members. They raised a total of \$3,090, to be donated equally to Moonlight Home for the Aged & Handicapped, TOUCH Community Services, and World Wide Fund for Nature. They also visited TOUCH Senior Activity Centre to engage the seniors by playing games and exercising with them. One is never too young to help the less fortunate!

Spreading Cheer and Joy

Choa Chu Kang Bible Centre Kindergarten

The children kick-started their project by engaging the residents at MWS Bethany Nursing Home - Choa Chu Kang. Parents generously donated dry food items and necessities such as towels and wet wipes. The children decorated cards and packed the donations into individual gift bags, and during their visit, performed a song and dance. They had a good time interacting with the residents!

Project Gold

Citikids Edventure

With the aim to inculcate the spirit of giving and caring for the elderly, the centre identified Pacific Activity Centre @ Fajar Spring and Pacific Nursing Home to be beneficiaries of their food donation drive. For every \$8.50 donated by parents, each elderly received rice, cooking oil, sugar, salt and oats. Parents also donated other dry food items such as biscuits, milk and canned food. Together, they prepared 40 kits and distributed them door-to-door to the elderly who are chronically ill or wheelchair-bound.

Tiny Hands, Big Hearts

E-Bridge Pre-School (178 Rivervale Crescent)

The centre partnered with All Saints Home, with the focus on turning compassion into action. Children learned to interact with the elderly by engaging them in meaningful activities. Through their SSDB journey, they became more observant and aware of the people around them. They experimented with ramps to help the disabled, made up games to promote healthy lifestyle among the elderly, and wrote down their thoughts about kindness and respect.

Guardians of the S.E.A.A

Eshkol Valley @ Northstar Pte Ltd

The centre was honoured to be the first preschool to collaborate with the S.E.A. Aquarium! The children learned about the harmful effects of plastic pollution on marine life and us, and how to become advocates for healthy oceans. From there, they showed appreciation to the beach cleaners at Pasir Ris by contributing gifts for their efforts in keeping Singapore clean. The children also played their part by picking up litter on the beach!

Spreading Kindness & Love

Grow & Glow @ Blk 51 Pasir Ris Centre

Loving the elderly with acts of kindness is what the school wants to instil in the children. They organised a trip to visit the elderly at Evergreen Circle Senior Activity Centre. Parents joined the children, and one parent, who is a baker, sponsored a cake for tea break. One of the activities the children did with the elderly was colouring, and they had fun exchanging ideas and laughing together. It was a refreshing experience for everyone, especially the children!

Plant Smiles, Grow Laughter and Harvest Love

Iman Childcare (Simei) Pte Ltd

This project gave children the opportunity to show off their green thumbs as they plant various vegetables and herbs. The children then prepared special sandwiches with the vegetables they harvested, and shared them with the elderly at the senior activity centre. There were happy faces all around as the young and old spent meaningful time together. Despite the generation gap, they had a lot of fun, and children learned the importance of giving back to society!

Books and Looks

Kiddiewinkie Schoolhouse @ Grandstand

Over a course of 2 months, children, parents and staff donated clothes and books for a yard sale. The centre raised over \$900 from the sales through their collective efforts. The children then visited Jamiyah Nursing Home to deliver groceries and donate the proceeds from their yard sale. As part of SSDB's goals, they hope that they children have learned the value of kindness and compassion for others, especially after their visit to the Home.

Enriching Learning Journey at Sunlove Senior Care Centre

Kids' Star Child Development Centre (S) Pte Ltd

The children visited Sunlove Senior Care Centre @ Ang Mo Kio (Dementia) and discovered how the centre is similar to the childcare centre they attend, except that seniors who attend here daily do activities and exercises to improve their health. The children tried out the equipment at the centre, and entertained the seniors with their singing and dancing. The children were happy to cheer up the seniors, and were enthusiastic to perform for them again!

Little Entrepreneur Programme

Kinderland Preschool @ Ministry of Manpower

The children partnered with Lions Befrienders Service Association (Singapore) to raise funds for the seniors. They built their ideas around their Simple Machines project, and designed wooden pieces with unique paintings to create beautiful key holders. Parents showed their support for their fund-raising event, and the kids learnt that through joint efforts, great dreams can be achieved. Even at a young age, they can definitely do their part to contribute to society!

The Act of Appreciation Starts Young

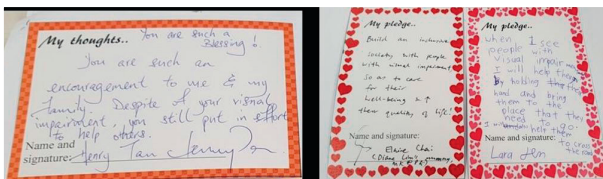

Kinderyears Childcare & Development Centre

This project kick-started with a discussion on how the children wanted to show their appreciation for the community helpers around their neighbourhood. They decided to make cards with messages expressing gratitude, and “Thank you” gift bags to distribute during the centre’s National Day celebration. This small project certainly made the children proud of their contributions!

Don't forget, a person's greatest emotional need is to feel appreciated.

– H. Jackson Brown Jr.

Art Experience with Friends from AWWA

MOE Kindergarten @ Springdale

With the understanding that art promotes creativity, teamwork and dedication, the teachers planned an art experience for the children at MOE Kindergarten @ Springdale and AWWA @ Lorong Napiri. The MK children facilitated the session by providing and sharing the materials with their AWWA friends, and gave praises and encouraging words to them. The art experience ended with hugs and words of appreciation!

“Every child is an artist.” – Picasso

Caring for People with Visual Impairment

MOE Kindergarten @ Punggol Green

The school partnered with the Singapore Association of the Visually Handicapped, iC2 Prehouse, and Compass One Shopping Centre for their project on caring for people with visual impairment. Children learned about ‘Touch Art’, which equips the visually impaired with skills to produce handicrafts, and made braille books for visually impaired kids. With parents’ contributions, the school raised up to 20 boxes of items for visually impaired persons in need!

Food Bank Donation

My First Skool @ Jurong West Blk 648C

With the donations raised from their fiesta night bazaar event, the centre contributed to the Food Bank. The children and parents packed and sorted all the goodies into boxes, and it gave an opportunity for the children to understand more about the needy in our society. Children also learned to look for the 'halal' logo on food items, and expiry dates on the packaging.

Uncle Mamoon's Secrets to Keeping the Neighbourhood Clean!

My First Skool @ Pasir Ris 1

Before embarking on their project, the children reflected on their understanding of what a community cleaner does. Their community cleaner, Uncle Mamoon, then took them on a walk around the neighbourhood and showed them how he keeps it clean. He also shared the joys, challenges and sacrifices that his job entails. The children helped by picking up litter, and gave him a token for his dedication in keeping the neighbourhood clean. They now have a new-found respect and appreciation towards cleaners!

Small Hearts Warm the World

MY World @ Hougang

Using their creative juices and little fingers, the children created pebble art as part of their fundraising efforts for the elderly at Lee Ah Mooi Old Age Home. Parents donated generously through the sale of the pebble art. Funds raised went to the purchase of food and medical supplies for the elderly at the Home. The children learned that even though they are young, they could bring joy and love to others. May the spirit of love continue to stay in their hearts and spread to people around them!

Love & Share Charity Hongbao Drive

Newton Kindergarten

As part of their effort to show love and compassion towards the needy and less fortunate, the children saved up their 'ang pow' money collected during Chinese New Year. Each child brought home a container to put their money in, and parent volunteers, staff, and teachers gathered to count the collection from 242 children. Along with funds raised at a fun-filled Family Carnival, the school raised a total of \$11,342.28 for the President's Challenge!

Inter-generational Bonding with Seniors Through Terrarium Making

Nurturestars @ SAFRA Punggol

As part of their June holiday programme, the centre collaborated with MindCare Senior Activity Centre, which provides mental health support for the community. The aim was to connect the young and old through activities, and share experiences as well as learn skills from each other. Parent volunteers participated by helping with a terrarium-building activity. Through this project, the children learned values such as love, kindness, empathy and respect.

Kindness Day for Community Workers

Our Juniors' Schoolhouse @ Tanjong Katong

In conjunction with Kindness Day, everyone in Our Juniors' Schoolhouse helped to pack a welfare token for people who contribute to the community. The children discussed about how each item can benefit the recipient, and gave out the goody bags to individuals such as rubbish collectors, cleaners, security guards, doctors, postman and gardeners. It was also a good family bonding time with parents, and together, smiles were spread in miles!

Mission with Love

PCF Sparkletots Preschool

@ Ang Mo Kio - Hougang Blk 929 (KN)

In collaboration with Soles4Souls, the centre hosted a shoe drive to create awareness for the needy in developing countries. The children had a learning journey to the collection warehouse and were impressed by the amount of used and new shoes to be donated worldwide. The school engaged parents and the neighbourhood to donate used shoes. The project allowed children to take charge of doing something meaningful for society.

Little Hands with Big Hearts

PCF Sparkletots Preschool

@ Clementi Blk 330, Blk 462A & Blk 420A

Three PCF branches combined efforts in a project to create awareness for under-privileged families in the community. Children were given a take-home kit task to do with their parents, which encouraged them to assist in simple household chores. For each good deed, parents awarded their child with points which were converted to cash amounts. These were used to purchase grocery items for a hamper, which they presented to the children at Children's Wishing Well!

Ah Gongs Ah Mahs - Our Treasures

PCF Sparkletots Preschool @ Yew Tee Blk 682 (KN)

For their project to promote inter-generational bonding, the children planned 20 sessions over a period of 6 months with the seniors at Sparkle Care @ Yew Tee Blk 625. Among the activities they did with the elderly were morning exercises, games, karaoke, craft-making, music and movement, and celebrations. The relationship between the Ah Gongs and Ah Mahs with the children grew from shyness to playfulness, and they are happy to spend time together!

A Little Spark of Kindness and Thoughtful Helping Hands

PCF Sparkletots Preschool @ Nanyang Blk 934

This project encouraged children to show kindness, care and thoughtfulness to less fortunate children. The National Library Board conducted a sharing session on kindness through story-telling, and children raised funds for Children's Aid Society's Melrose Home by redesigning items made from old uniforms. With the Parent Support Group, they worked together to pack and deliver donations to the Home.

"We start small but our dreams are to help more" – K2A Inventiveness

Little Crafters of PCS AMK

**Presbyterian Community Services
@ Ang Mo Kio Child Care Centre**

“How can you save the environment?”

The children brainstormed and decided to start by recycling everyday materials, such as newspapers, plastic bottles and tissue boxes. They were excited at the challenge to create artwork with the materials collected, and sell them for a good cause. With the great support from parents, the centre raised donations to a charity organisation, Daughters of Tomorrow, which builds livelihoods for women in need.

Kindness On Board

Skool4Kidz @ Yishun Orchid Spring

“How will you show kindness on the bus?”

This was a question the children thought about as they engaged in a dramatic play about kindness on public transport. Children came up with different ways to help others, such as giving up their seats to the elderly, and mothers with babies. They also remembered to say ‘thank you’ to the bus driver. These may be small deeds but they show a child’s big heart. Small acts of kindness will never be wasted when it is appreciated!

“No act of kindness, no matter how small, is ever wasted.” – Aesop

Little Arborists

St. James' Church Kindergarten (Harding)

The children were inspired by their discovery that roots are linked by networks, and their trees can help their neighbours' by sharing nutrients. Just like trees, we can learn to care for others. They decided to repot little trees for a charity auction, and sold them to raise funds for the needy. Together, we can help our community!

Appreciating Everyday Heroes in the Community

Star Learners @ Pasir Ris

In the month of June, the children showed appreciation to everyday heroes in their community. They decided to celebrate the zookeepers in Singapore, librarians, and janitors. The children suggested giving out small tokens such as cards, a goodie basket, and cookies. On their trip to the zoo, they chased after the zookeepers to present them with the packages. One of them was overwhelmed with emotions, while another invited the little ones to take a photo with the elephants they were caring for!

Sharing is Caring

Sunshine Kids Care Centre @ Tampines

Through the generosity of the centre's parents, the children were able to collect many food items for the elderly at Kheng Chiu Happy Lodge. The bus company that the centre usually charts buses from, aided them by providing free bus service to the elder care centre. The children made a 'thank you' card for the bus driver, and the elderly at the lodge were given a big basket of handmade flowers.

Meals-on-Wheels with THC

TOUCH Child Care (Clementi)

Children collaborated with TOUCH Home Care (THC) and TOUCH Senior Activity Centre to care for the elderly. They participated in the Meals-on-Wheels programme, where volunteers deliver meals to the stay-home and needy elderly residing around Toa Payoh estate. Before embarking on their mission, staff of THC conducted a workshop to enhance the children's understanding of and empathy towards the elderly. May they continue to care for the needy elderly!

SSDB Finale 2018

We celebrated the closing of this year's 'Start Small Dream Big' with a fun-filled Finale at Suntec Singapore Convention & Exhibition Centre on 5-6 October! In conjunction with the annual ECDA Early Childhood Conference, the 2-day exhibition featured lots of learning opportunities, freebies, games and many family-bonding activities. Visitors to our SSDB Booth discovered more about the initiative through crossword puzzles; coloured their own SSDB t-shirts; joined storytelling sessions in our cosy tent; and played a carnival game about recycling. Our SSDB partners also collaborated with centres to showcase their community projects!

Appreciation Ceremony

President Halimah Yacob graced our SSDB Appreciation Ceremony on 5 October 2018, Friday, at Suntec Singapore Convention & Exhibition Centre. The event was hosted by Mr Desmond Lee, Minister for Social and Family Development. The programme included a fashion show with costumes made of recycled materials by PPIS Child Development Centre – Jurong 1, and a song in sign language by Learning Vision @ Work (NCS Hub). President Halimah presented appreciation plaques to our SSDB partners, as a token for their contributions to our centres this year. Thank you to all our children, teachers, parents and partners, for making 'Start Small Dream Big' 2018 a success!

Setting a New Record Together!

Over 1,000 pre-schoolers set a new record in the Singapore Book of Records at the 'Start Small Dream Big' 2018 Finale, for 'The Largest Gathering of People Wearing Bucket Hats'! President Halimah Yacob joined the children in wearing the iconic SSDB orange bucket hat at this exciting record-setting event, held in conjunction with Children's Day. The orange bucket hats symbolise the children's vibrant energy, and the warmth and cheerfulness that they spread to others. This gathering signifies our children's collective efforts and contributions to the community. Congratulations for setting another record in the Singapore Book of Records for 'Start Small Dream Big'!

Our deepest appreciation to our partners
for making Start Small Dream Big 2018
a big success!

Wildlife Reserves Singapore Group

The President's Challenge is an annual community outreach and fund-raising campaign for beneficiaries selected every year by the President's Office. Started in 2000, the Challenge represents a coming together of people from all walks of life, under the President's patronage, to help those who are less fortunate, and is a call to all Singaporeans to do their part to build a more caring and inclusive society. 100% of donations raised under President's Challenge go to charities, causes and social service organisations supported by President's Challenge.

Since 2012, the Challenge was expanded to go beyond fund-raising, by including volunteerism and social entrepreneurship. In 2015, President Tan also announced the setting up of the President's Challenge Silver Volunteer Fund to encourage senior volunteerism. President's Challenge will continue to rally the community to help the less fortunate among us through the giving of time, skills and enterprise. The operating costs of President's Challenge are covered separately by a grant from Singapore Totalisator Board as a community initiative. The overall operating cost to donation ratio for President's Challenge is also kept under 15%, well within 30% fund-raising efficiency ratio recommended by the Charity Council.

Start Small, Dream Big

PRESIDENT'S CHALLENGE 2018

'Start Small Dream Big' was initiated by the Early Childhood Development Agency in 2015 to celebrate SG50 and the President's Challenge's 15th anniversary. Its aim is to build an early childhood community that inculcates good values in our children and encourages them to give back to society.

ECDA works with participating centres to design and implement community service projects over a period of six months, with the hope of making volunteerism a way of life for our young. In 2018, more than 39,000 children from over 670 preschool centres participated in **'Start Small Dream Big'**.

We believe that children are never too young to contribute to the community. We are heartened to see many **'Start Small Dream Big'** projects that touch lives and effect change. Through these projects, our children learn to be kind, compassionate and active citizens. Parents and family members too play an important part in the children's efforts. We thank all of you for your support.

No one can do everything, but everyone can do something! It is our wish for the nation that every child do a good deed every day, to make the world a better place.
