Our Family
Our Community

Message

I am happy that the President's Challenge 'Start Small Dream Big' movement has grown significantly over the years. Today, there are 75,000 children participating in the movement, up from 8,000 in 2015.

This movement has given our children many opportunities to learn how to be kind, compassionate and active citizens.

This year's theme, 'Our Family, Our Community', is in support of our Year of Celebrating SG Families. We want our children to embrace the family values of 'love', 'care and concern', 'commitment' and 'respect'. These values lay a strong foundation for them to appreciate the importance of family, and to build a caring and inclusive community.

Thank you, children! I am proud to see how you inspire those around you to do good. Special thanks to our teachers and community partners too, for supporting our children in their meaningful causes.

I encourage more to join the 'Start Small Dream Big' movement in the coming years, because "No one can do everything, but everyone can do something"!

A handwritten signature in black ink that reads "Halimah Yacob".

Mdm Halimah Yacob

President of the Republic of Singapore

Message

Strong families are the bedrock of our society. They nurture resilient individuals and form the building blocks of a caring society. The theme for the 8th edition of the 'Start Small Dream Big' movement, "Our Family, Our Community" is indeed timely as we dedicate 2022 as the Year of Celebrating SG Families this year. Together, early childhood educators, parents, the community and Government will build our home, a Singapore made for families.

I enjoyed the launch of 'Start Small Dream Big' in April this year as our children showed their appreciation and care for their families and others in society. I hope they will continue to support those in need, not only through community projects in schools, but also through everyday deeds.

I am also heartened to see families involved in our children's community projects and hope it will inspire our young to continue expressing love, care and concern, respect, and commitment towards their family members, as well as others in their community.

My heartfelt thanks to our preschool teachers, parents and community partners for your unwavering support to our young ones and giving them a good start in life. Let's continue to support this meaningful movement to make Singapore a more caring and inclusive home.

A handwritten signature in black ink, consisting of a large, stylized 'M' followed by a series of loops and a horizontal line at the end.

Mr Masagos Zulkifli

Minister for Social And Family Development (MSF)
Second Minister For Health (MOH)

Foreword

Children are never too young to contribute to the community and help others. It is with this belief that the Early Childhood Development Agency launched the President's Challenge 'Start Small Dream Big' movement in 2015.

'Start Small Dream Big' offers a meaningful platform for preschool educators, parents and community partners to work together to inculcate positive values, such as kindness, compassion, humility and respect, in our little ones. When instilled from a young age, these values become second nature to our children and follow them into adulthood. As our children participate in community projects, they also build a reservoir of self-esteem, confidence, determination and resilience, which can help them tackle challenges faced later in life.

Into its 8th year, 'Start Small Dream Big' has grown from strength to strength. With a humble start of 8,000 children from 150 preschools, I am glad that there are now 75,000 children from close to 1,100 preschools involved with the movement, despite unprecedented challenges posed by COVID-19 in the past 3 years. This would not have been possible without the strong support of our preschools and partners.

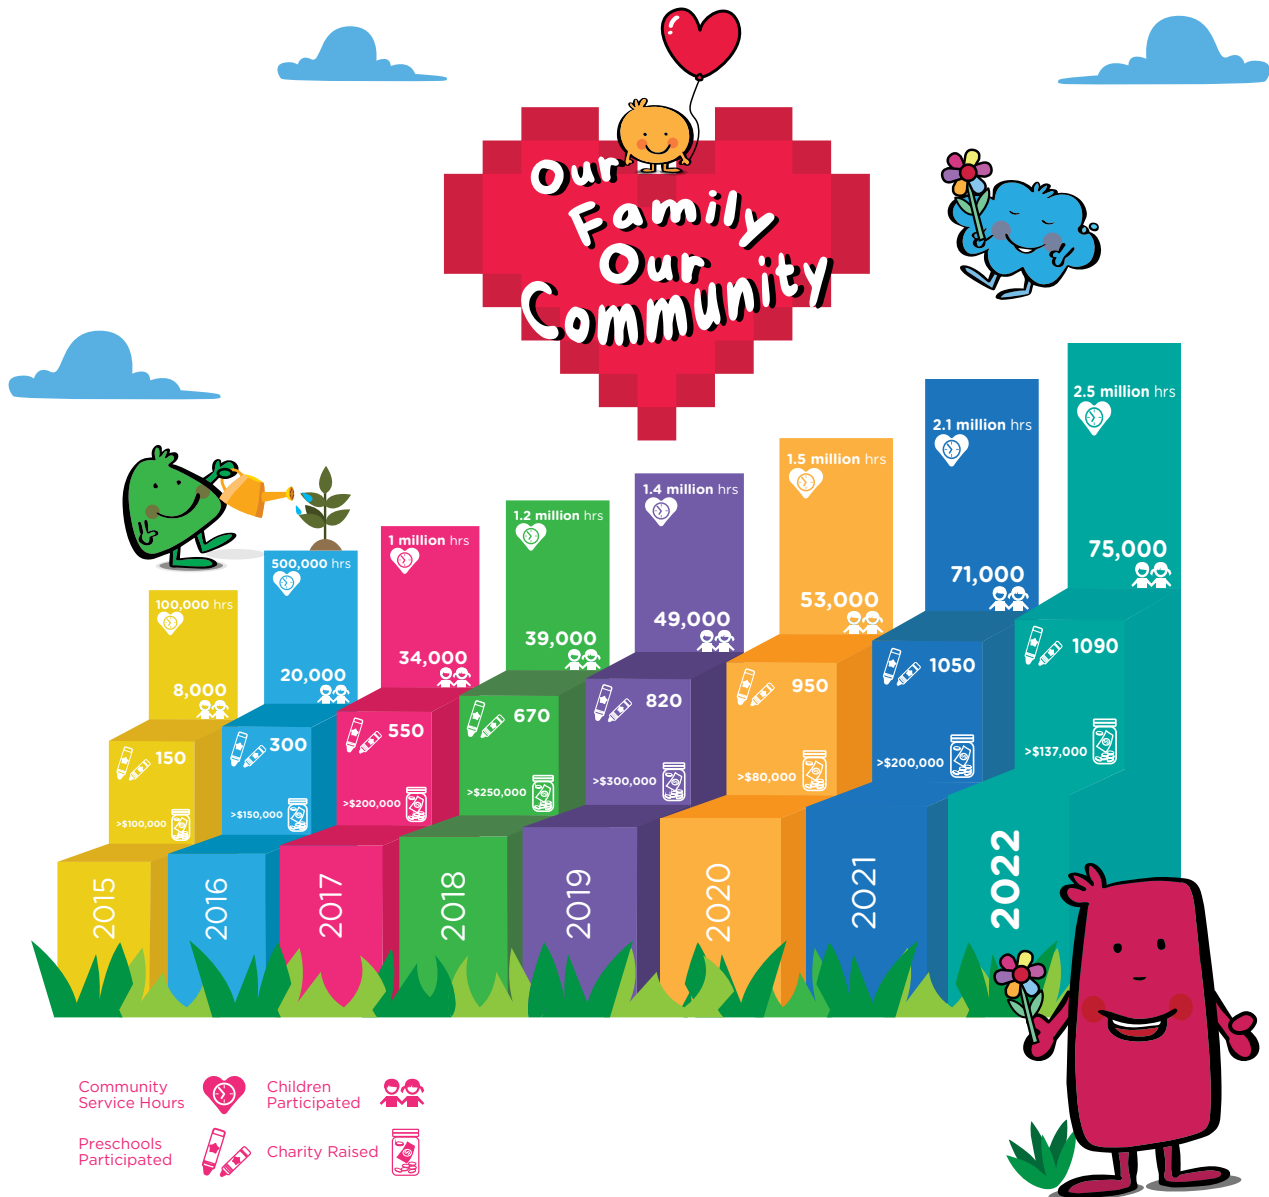

Once again, a big thank you to preschool educators, parents, and community partners for supporting our children to start small and dream big. I look forward to many more opportunities to work with you to give our children a good start in life.

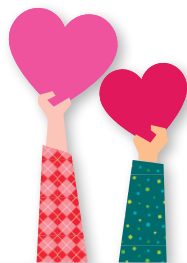

A handwritten signature in black ink, consisting of a stylized 'T' followed by a cursive 'C' and 'W'.

Mr Tan Chee Wee

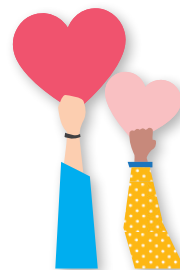

Chief Executive Officer
Early Childhood Development Agency (ECDA)

Dreaming Big with SSHB

Our Family, Our Community

The theme for this year's 'Start Small Dream Big' movement is “**Our Family, Our Community**”, as part of the 'Year of Celebrating SG Families' (YCF). The focus is on appreciating and caring for one's family, as well as those around us in our community. The theme echoed the President's Challenge 2022 call for the community to help support lower-income families.

SSDB 2022 Launch

Watch the SSDB
2022 Launch Video!

This year, over 75,000 children from close to 1,100 preschools participated in meaningful projects that seek to benefit their community through 'Start Small Dream Big'. This marks a significant growth from the movement's humble beginnings in 2015, when it attracted the participation of just 150 preschools and 8,000 children.

Minister for Family and Social Development, Mr Masagos Zulkifli, launched this year's 'Start Small Dream Big' on 25 April, Monday, at Bright Kids School House (Punggol 173). The centre's project revolved around the family, with children using resource materials from Families for Life (FFL), to learn about family values, namely "love", "care and concern", "commitment" and "respect".

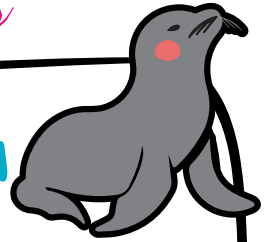

Preschools each received a 'Start Small Dream Big' Resource Package, filled with many resources for teachers and children to use throughout their projects. A total number of 27 partners supported the movement this year, and parents were encouraged to participate in their children's project activities.

Featured SSDB Projects

I'm An Animal Protector

Ace @ Work Childcare Pte Ltd (CCK757)

As part of their SSDB project, the school partnered with Mandai Wildlife Group to adopt Pedro, a Californian sea lion at the Singapore Zoo. In order to adopt Pedro, the children had to help raise funds. The children made their own pledge cards with tasks they would do at home in exchange for donations. Some of the chores were keeping their toys and wiping the table after dinner for a week. Thanks to the support of parents, the children raised enough funds to adopt Pedro!

Appreciating Our Mothers

Al-Muttaqin Mosque Kindergarten

The K1 children kicked off their SSDB project by making cards with a secret message that they wanted to convey to their mothers, which their family members helped to decode. The children also made apple muffins for their mothers, a truly enjoyable experience for them all! Through this project, the children learned to express their love and appreciation towards their mothers.

Save The Ocean

Assyakirin Mosque Kindergarten

The children wanted to raise awareness on ocean pollution after learning about marine environment and the different ocean creatures that are suffering from plastic pollutants. The class designed posters and a big board using recycled materials as decoration. To experience themselves what ocean pollution looked like, the children, along with their supportive parents, went to East Coast Park on a weekend and together did their part by cleaning up the beach and collecting bags of trash.

Kindness In Me!

Bethesda (Pasir Ris) Kindergarten

The centre partnered with Singapore Kindness Movement (SKM) for their SSDB project. Together with Bethesda Pasir Ris Mission Church, they gifted fruit boxes to the SingHealth nurses and bus depot Bus Captains to thank them for their hard work and dedication during the pandemic. The children also designed and sold tote bags to raise funds for the Singapore Children's Society on Children's Day.

Singapore Nurses Day!

SG NURSES DAY!

Thank You Frontliners!

British Council (Singapore) Preschool

To show appreciation for frontliners, the children kicked off their SSDB project by learning about what firefighters and police officers do. They learned about Fire Safety Enforcement, explored the school for fire extinguishers and fire alarms, and even visited Tampines Fire Station with their families. They also had a surprise visit from their neighbourhood police officers. The children had the opportunity to ask them questions and explore their police car. To thank the frontliners for risking their lives to keep our country safe, the children presented handmade cards and posters with penned messages to them.

Grow our Garden, Grow our Dream!

E-Bridge Pre-School (Montreal Link)

For their SSDB project, the centre was given a plot of land by Sembawang Town Council to manage. The children pulled out weeds, cut grass and pruned shrubs to clear the plot so that they could start growing and potting their plants. Parents were introduced to the centre's new garden via Zoom, and were encouraged to take part in their children's project. Gardening helped the children embrace teamwork and instilled collective responsibility. The children hope that the garden will continue to grow fruits and plants so they can be shared with the community for many years to come!

RESCUED Is Our Favourite Breed

Enfant Educare Pte Ltd

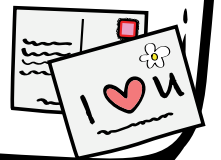

"Choose to adopt, not shop" was the key message for the centre's SSDB project. Since the pandemic, there had been many reports of abandoned or neglected pets. The children learned the importance of pet ownership through various hands-on activities. A guest speaker was invited to share via Zoom about her experience in adopting her pet cats. The centre also connected with NParks whose representative shared on procedures for adopting pets in Singapore. The children then adopted two guinea pigs and created a digital storybook of their experiences which they shared with their parents!

Hands of Love

En-Naeem Mosque Kindergarten)

The children's SSDB project focused on the importance of family, through activities such as making origami in the shape of a house, writing love messages to their family members, planting seeds in pots and baking cookies for their parents. They learned that family bonding does not only mean going on a vacation or giving a treat, but also sharing and participating in household activities such as folding clothes, sweeping or vacuuming the house, washing dishes, or even cooking and baking together!

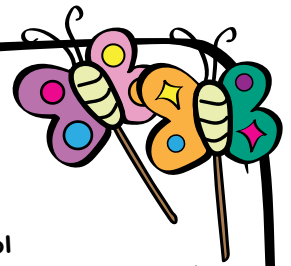

A Meaningful Interaction

Foochow Methodist Preschool

With the focus on befriending persons with disabilities, the school's SSDB objectives this year were to build awareness, respect and acceptance of people with different disabilities; show care and empathy; and create an inclusive community. They connected with children from Cerebral Palsy Alliance Singapore (CPAS) through a friendly Zoom interaction. The children made butterfly puppets for their friends at CPAS, and prepared a shadow puppet show for the CPAS children to participate in.

Gentle Hands, Gracious Heart

Grace Child Development Centre

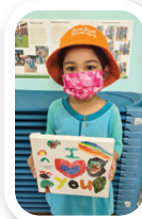

The children decided to set up a vegetarian café to sell snacks and drinks to their parents, so that they could purchase flowers for the nurses at Grace Lodge Nursing Home as a token of appreciation for their contributions during the pandemic. The N2 class worked together to make a signboard, while the K1 and K2 classes created Kindness badges to be sold. Parents were served food that the children planned and prepared for them!

Giving Back to Our Community

IYAD Perdaus (Hougang)

The centre collaborated with the Down Syndrome Association (Singapore) for their SSDB project, launching it on World Down Syndrome Day. As part of their fundraising event, each child was given a blank canvas and paints to create artwork with their parents. The parents contributed not just monetary donations but also writing tools and colouring materials for students at DSA(S). The teachers presented the funds and donated items on behalf of the children. They were thankful for the partnership and the memories created for the children!

Appreciating our Healthcare Heroes

Kiddiwinkie Schoolhouse @ Cactus

The school decided to show their appreciation to healthcare frontliners by making welfare packages for the doctors and nurses at Changi General Hospital and Tan Tock Seng Hospital. The children made soap bars using goat's milk soap base, essential oil, dried flowers and dried orange peels. They also made hand sanitisers using rubbing alcohol, aloe vera gel and essential oil. Let's remember the contributions made by our nurses and doctors as they care for the sick!

Let's Restore the Earth!

KidsCampus West Coast

The children wanted to raise awareness among their family and the community about the environment, and made 'Save Our Earth' posters using recyclable materials during their outdoor learning. They also watched a video, 'A Whale's Tale', and expressed sadness when they saw ocean animals trapped in trash. As a finale for their SSDB project, the children suggested cleaning up litter during their nature walk in the neighbourhood. They learned and gained much knowledge from their project and hope to continue doing their part in sustaining planet Earth!

We Dare to Care

Learning Vision @ Nanyang Polytechnic

The K2 children embarked on their SSDB project with the Singapore Red Cross (SRC) to learn more about caring for the elderly, the differently-abled, and also on safety. They worked with their parents to come up with their own emergency contact list, and with guidance from SRC, learned basic bandaging techniques and how to administer simple first aid. The project culminated in the children practising how to carry the SRC donation box and learning to speak to the public to seek donations!

We Heartly Connect

Little Atlas Preschool

The centre's SSDB project focused on rebuilding family connections after 2 years of the pandemic, through meaningful activities and reaching out to the community. One of the activities that connected the children's families was a Charity Carnival, where teachers prepared food, drinks and games stalls. Children reached out to as many people as they could in their neighbourhood, to invite them to the Charity Carnival. Community partners were also roped in to help. Proceeds raised went to Children's Wishing Well, which supports children and youth from disadvantaged families.

WRITING LETTERS TO SORROW WAGON/ TROLLEY FROM OUR LITTLE BIG COMMUNITY

WE DID IT! WE MANAGED TO SEND ALL THE FOOD ITEMS TO WILLING HEARTS ON FOOT!

PACKING THE FOOD ITEMS DONATED BY OUR LOVELY COMMUNITY

TRANSPORTING THE DONATED FOOD ITEMS

EXPLORING WILLING HEART THAT PROVIDES MEALS FOR THE PEOPLE

REFLECTING AND RECORDING IN OUR SEEDS JOURNAL

Little Big x Willing Heart

Little Big Pre-school Pte Ltd

For this year's SSDB, children from the K2 class were inspired by one of their classmates who decided to spend his birthday goody bag expenses on buying groceries to donate to people who needed them. He shared a video on how he went to the supermarket to buy the groceries and personally delivered them to those in need. This meaningful act of kindness motivated many of the children to do the same for their birthdays. The children then spearheaded a food donation drive by creating posters to invite their families to contribute to this good cause. The food items were collected for Willing Heart, a non-profit organisation within their community with a 'soup kitchen' that provides meals for people in need.

Caring for Community and Companion Animals

Little Footprints Preschool (Ubi)

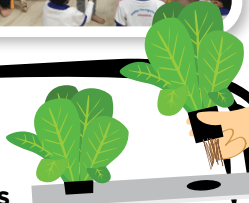

The aim of the centre's SSDB project was to teach the children to care for animals around us, at the same time instilling values such as responsibility and kindness. The children conducted a mini roadshow where they distributed their own flyers and brochures to the public, and shared their knowledge with those who stopped by their booth. The school invited ACRES (Animal Concerns Research and Education Society) to conduct a sharing session with the children on Native Wildlife. Two parent volunteers even came down with their pet cat and dog to share with the children about responsible pet ownership.

Hydroponics

Little Tree House Pasir Ris

With the help of experts via a Zoom session, children learned the basics of growing plants. They planted their seeds in sponges, measured the growth of their saplings, and recorded it daily in their journals. After a long wait of three weeks, their saplings were ready to be transplanted into their school hydroponics system. They were happy to see the leaves and stems grow strong and healthy. When the harvest was ready, the children brought the vegetables home to share the experience with their families, and the remaining vegetables were used for their school meals!

Love Starts at Home

Macpherson Sheng Hong Childcare Centre

The children started their SSDB project by making plans to host a Virtual Appreciation Day Party for their parents. They expressed their love and gratitude for their parents through making handmade cards as well as crafting bouquets and wrapping flowers for them. Each class also prepared a pre-recorded dance performance, with special messages for their parents!

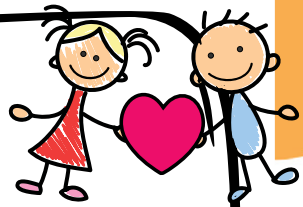

Project Dandelion

MapleBear Learning Garden Pte Ltd

The aim of the centre's SSDB project was to encourage the children to spread love, kindness and happiness to those around them, as what the dandelion flower symbolises. The project started with mother-child bonding activities, such as arranging flowers in a lemon and making cards together. On Father's Day, the children made a special cup holder to express their love for their dads, and shared a story from a book launched by Hong Zu Er for the Singapore Chinese Cultural Centre, titled 'I Want A Cup of Dinosaur'. The children then made 'Milo Dinosaur' in school and were encouraged to visit a coffeeshop with their fathers on the weekend to order a cup of 'Milo Dinosaur' to enjoy together.

Little Champs, Big Hearts

Mindchamps Preschool @ Jurong West

As part of their SSDB project, the preschool hosted their third virtual community outreach activity with NTUC Senior Activity Centre. The children engaged the seniors in action songs, rhymes, dances and animal charades, as well as competed in a game of 'Find the Hidden Animals'. It was a good opportunity for both children and seniors to exercise their visual perception. The Champs learned that the best way to bring joy to someone is to spend time with them!

Going Green as One Big Family

MOE Kindergarten @ Fernvale

The children were eager to learn, promote and practise green habits in school and at home for their SSDB project. After learning about waste and pollution, and how humans and animals around them are affected, the children discussed with their class teachers on what they could do to make a difference. Parents were encouraged to make a pledge with their children to practise green habits at home. Some of the pledges were "I pledge to stop wasting paper" and "I pledge to save water!".

Glorious Garden

My First Skool @ Blk 682B Edgedale Plains

The centre took part in an upcycling project for SSDB in collaboration with Preschool Market. The project allowed the children to come up with creative crafts such as an octopus chime made from a bowl and paper clips. They also worked hard to set up a Glorious Garden to allow opportunities for the children to explore, experiment and create joyful learning experiences outdoors. To wrap up their project, they harvested the plants and herbs grown in their garden. These were packed and shared with their neighbours and people in their community.

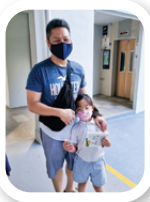

Our Community Heroes

My First Skool @ Choa Chu Kang 4

For their SSDB project, the children learned about the community helpers around them and how they make our lives better. To show appreciation to these community helpers, the children conducted a food drive. Parents were invited to donate food items for the children to pack, which were then passed to the various community helpers they came across. The children gained many meaningful experiences throughout their SSDB journey!

Save a FUR-ever Friend

Little Footprints Preschool (Ubi)

The objectives of the centre's SSDB project were to raise awareness on animal welfare, responsible pet ownership, and to give back to society through charity. They invited Bunny Wonderland, a rabbit rescue group, to teach the children about caring for rabbits. The children decided to organise a charity drive to help rabbits that are abandoned and rescued by Bunny Wonderland. They created keychains, coasters and photo frames, and with the support of parents and teachers, raised \$850 in donations!

Share It Forward

My Talent Childcare Centre @ Taman Jurong

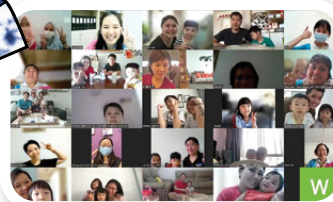

The centre embarked on our first SSDB project this year, to bring awareness to the children on the importance of helping and sharing with others, especially with those in need. Each child designed their own flyers and came up with a list of food or household items that people in the neighbourhood, their parents and centre staff can donate. They then went door-to-door to drop off the flyers and shared about their SSDB project. The donated items were packed and given to workers in the community, such as foreign workers, bus drivers, mailmen, police officers, clinic assistants and shop vendors.

Appreciating Our Migrant Workers

MY World Preschool @ Hougang Dewcourt

The centre conducted a virtual tie-dye workshop for their children and teachers, so that they could make beautiful tie-dyed shirts as part of their SSDB project. The shirts, along with appreciation cards made by the children, were gifted to migrant workers through 'It's Raining Raincoats', a local charity that improves the lives of migrant workers in Singapore and supports their needs. The centre Principal shared with the migrant worker friends some photos of the children preparing the gifts, and how the children are grateful for their hard work and contributions!

Fruitful of Love

Newton Kindergarten

For their SSDB project, the Nursery children spread love and kindness to the elderly at Irene Nursing Home by blessing them with fruits. The children were encouraged to pack the fruits with their parents. They also blessed healthcare workers with vegetables grown in their school's hydroponic garden. From packing to writing special cards, the children learned to give and bless others with sincerity.

Building Community

Pariposa Preschool

This year, the preschool paid homage to migrant workers in the construction industry who left their homes to build ours. The children reached out to migrant workers to express their gratitude and appreciation, by volunteering to offer the workers with water to quench their thirst as they worked. The children made thank you cards and care packages, while parents volunteered to donate snacks and drinks. It was touching to learn that the workers found comfort in the messages as they remember their own children back home.

THANK YOU

Nourish to Flourish

PCF Sparkletots Preschool @ Canberra Blk 337 (CC)

Through their SSDB project, the centre promoted the importance of nourishing our bodies with healthy food and physical activity by maintaining a healthy lifestyle. Parents joined the children in activities such as brisk walking and Zumba. Collaborating with families and community helps to develop and nurture the children's social skills. They partnered with the residents at the Senior Care Centre at Woodlands Peak and Changi for a fun Zumba session, and even celebrated the Mid-Autumn Festival with them virtually.

Giving Back to Society

PCF Sparkletots Preschool @ Jalan Kayu
Blk 518 (DS)

Generous parents and staff donated items such as biscuits and beverages for the children to pack and gift to community helpers and the elderly. The centre's interns from Ngee Ann Polytechnic even helped to prepare small notes to thank those working at Lee Ah Mooi Old Age Home and Ju Eng Home, as well as the elderly staying in the Homes. Through this project, the little ones learned to be kind and appreciate the things they have in life. To thank their parents' kind hearts for participating in their SSDB project, the children made hand paintings with Thank You notes.

Let's Be Kind

PCF Sparkletots Preschool @
MacPherson Blk 31

For their SSDB project this year, the centre collaborated with Kwong Wai Shiu Care @ St George and Kwong Wai Shiu Care @ MacPherson for the first time. The children performed a series of songs while the teachers sang oldies for the elderly during their virtual session. The seniors were actively engaged, clapping and dancing along to the performance. Parents also joined them in the virtual session. The children prepared craft activities to engage the seniors, and parents donated food items generously to them.

**This collaboration is facilitated by Agency for Integrated Care and Community Chest.*

The HeART of Giving

**PCF Sparkletots Preschool @
Paya Lebar Blk 23 (KN)**

As part of giving back to the community while practising sustainability, the children collected recyclable materials to make beautiful crafts such as pencil holders, planters and more, which they then traded for items that could be donated to the elderly at NTUC Healthcare @ Geylang. Some of the items contributed by parents were useful for the elderly, such as Axe Oil, Salonpas and Tiger Balm!

We Care - Awareness on Disabilities

**PCF Sparkletots Preschool @ Tampines
Changkat Blk 358 (KN)**

The centre participated in SSDB to foster a better understanding and awareness in their children on people with disabilities (PWDs). They collaborated with SPD (Serving People with Disabilities) in planning activities for the children. SPD loaned them some equipment, such as a wheelchair and a quad stick, for the children to explore and discover their functions. The project culminated with the children collecting donations from parents and teachers for SPD to further aid their mission in creating a better future for PWDs!

Showing Love with the Elderly in our Family and Community

PCS Grow & Glow @ Ghim Moh Centre

The children learned to appreciate the elderly through various activities. Teachers read storybooks about the elderly, and children talked about their fondest memories with their grandparents. Parents helped to snap photos of their children spending quality time with their grandparents, such as playing, reading and eating together. The centre continued their collaboration with SARAH Senior Activity Centre for their SSDB project this year, and the children collected donated items to pack and deliver. They also made videos for the elderly to use during their exercise time. The staff at the Senior Activity Centre shared photos of how the elderly enjoyed the video presentations!

I Can Be Kind Every Day

Pearlbank Montessori Kindergarten

The children held a Farmers Market Charity Sale at their school to raise funds for REACH Community Services. The centre partnered with Singapore Kindness Movement and MusArt Singapore for the children to learn how to use recyclables to decorate their Singa Cubbies figurines. Their artwork were sold at the Farmers Market, along with plants and home-baked goodies. Together, they raised over \$1,000 for charity!

Tinkerland's Little Warriors

SDM Tinkerland Childcare Centre

The Tinkerland team worked hard with the children and parents to plan a funfair to showcase the children's project on recycling, reducing and reusing materials from their home and school into something fun to play with. They collaborated with Children's Cancer Foundation and raised a total of \$2,400 in funds for their maiden SSDB project!

Little Rescuers

Skool4Kidz @ Punggol Waterway Banks

After brainstorming and casting their votes, the children selected the theme of animals for their SSDB project. They learned about the ecosystem through stories by NParks, went on a virtual tour of Sungei Buloh Wetland Reserve to learn about the importance of biodiversity, and even created their own book titled 'Little Rescuer's Adventure'. Everyone discovered a lot about the importance of animals and how to protect them!

Funky Socks Day

Spring Brainy Kidz @ Ubi

To promote Down Syndrome Awareness and learn about the importance of including people with disabilities, the children were invited to bring mismatched socks and watch an animation video about Down Syndrome. The idea of wearing mismatched socks was created because chromosomes are shaped like socks and people with Down Syndrome have an extra chromosome, so wearing mismatched socks on this day shows solidarity and support to people with Down Syndrome and their families!

Love in Action

St. James Church Kindergarten (Leedon)

The children embarked on a journey to learn more about helping others and sharing love. They decided to craft, bake and plant to raise funds for the Society for the Physically Disabled (SPD). They even learned to make cookies from two parents who came to the school to share their recipes. Their Jumbo Sale was open to all parents, and a total of \$2,852 was raised for SPD to help people in need buy wheelchairs and pay for their treatment.

Caring for the Elderly

Star Learners @ Jurong East

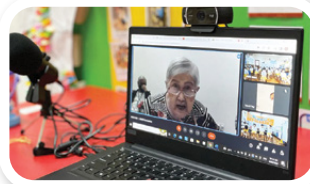

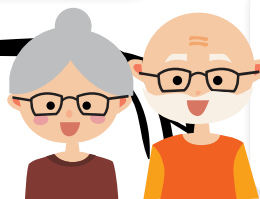

With the aim of fostering intergenerational awareness, the centre embarked on their SSDB project by getting children to interview their grandparents and share their responses with their classmates. The preschool collaborated with St Luke's ElderCare Ayer Rajah Centre, with the support of Agency for Integrated Care (AIC) and Community Chest. The preschool organised a food donation drive, with overwhelming response from parents who contributed various food items. These were packed into personalised pouches, along with fridge magnets and well-wishes prepared by the children. During their visit, the children performed with *Sharity* for the elders and did craft activities together. It was a fun, engaging and memorable visit for both the young and old!

**This collaboration is facilitated by Agency for Integrated Care and Community Chest.*

For the Young and Young at Heart

Sunflower Kinderhub @ AMK

The centre's SSDB project aim was to build stronger connections between the younger generation with their elders by engaging them in various activities. The children interviewed their own grandparents with questions such as where they used to live and what they liked to eat. The centre partnered with St. Luke's ElderCare to host monthly storytelling sessions by the elderly and other interactive activities with the children. The seniors were very happy to see the children as they reminded them of their childhood!

Farm to Table

Sunflower Kinderhub Pte Ltd

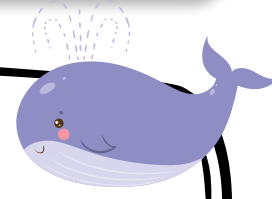

The main objective of the centre's SSDB project was to explore food origins and create awareness on supporting local food production, as well as the importance of food safety and food security. They sought the expertise of the Singapore Food Agency (SFA) who shared with children and parents via Zoom about the importance of not being reliant on imported goods during difficult times. They went on a journey of growing their own bean sprouts, from planting to harvesting to cooking and tasting their own produce. They learned that it takes patience and hard work to grow crops and thus understood the importance of not wasting food.!

Don't Let us Disappear

Sunflower Preschool @ Bedok Central

Eager to do their part to save endangered animals, the children discussed how they could save the animals around them. Teachers created voting booths for the children to vote for the animal they would like to adopt. Rangers from Mandai Wildlife Group engaged the children in a Zoom session to learn more about the animal they decided to adopt. The children made booklets and posters about endangered animals which were then displayed at Bedok Regional Library @ Heartbeat. They also raised funds for their adopted animal through items they crafted!

President's Visit

As a show of support to the 'Start Small Dream Big' movement, President Halimah Yacob visited a participating centre, My First Skool at Blk 208 Choa Chu Kang Central, on 22 September 2022, to view the children's community project. Titled 'Eco Heroes', the project's aim was to instil good values such as empathy and social responsibility in children, as well as empower them to adopt and champion sustainable practices in their daily lives.

In addition, the children learned the family values of love, care and concern, commitment, and respect, through the Families for Life **"Family and Me"** preschool resources.

Through selling tote bags upcycled from old clothing donated by their families and friends, the centre raised \$3,500 for the beneficiaries under President's Challenge this year!

SSDB 2022 Finale

Watch the SSDB
2022 Finale Video!

Sing-along to our SSDB
Song, 'Step by Step'

"No one can do everything, but everyone can do something!"

'Start Small Dream Big' 2022 culminated in a Finale on 29 October, Saturday, as part of ECDA's inaugural Early Childhood Celebrations.

We celebrated the collective achievements of our educators, preschools, families, and the community at this hybrid event that combined both in-person and virtual experiences. Children from 4 preschools performed a song specially composed by Wigglepods for 'Start Small Dream Big', and we showed appreciation to our community partners for their support in the movement. President Halimah Yacob delivered a special message to everyone involved in 'Start Small Dream Big' in the Finale video!

Our deepest appreciation to our partners for making **Start Small Dream Big 2022** a big success!

Wildlife Reserves Singapore Group

The President's Challenge is a national movement led by the President to rally Singaporeans to build a caring and cohesive society together. An annual community outreach, President's Challenge aims to bring together people from all walks of life, under the President's patronage, to help those who are less fortunate. 100% of donations raised under President's Challenge go to beneficiary organisations supported by President's Challenge.

President's Challenge was established in 2000 by the late Mr S R Nathan as a fund-raising campaign to help the less fortunate. In 2012, Dr Tony Tan expanded the Challenge to include Volunteerism and Social Enterprises. In 2018, President Halimah Yacob refocused the effort of President's Challenge towards the empowerment of vulnerable groups with skills and employability. An Empowering for Life Fund was set up to support programmes in skills upgrading, capacity building and employment of vulnerable groups. President's Challenge aims to raise \$10 million for the Empowering for Life Fund by 2022, and the Government will provide dollar-for-dollar matching.

More information on President's Challenge can be found at **<http://www.presidentschallenge.gov.sg>**

Start Small Dream Big

PRESIDENT'S
CHALLENGE

2022

'Start Small Dream Big' was initiated by the Early Childhood Development Agency in 2015 to celebrate SG50 and the President's Challenge's 15th anniversary. Its aim is to build an early childhood community that inculcates good values in our children and encourages them to give back to society.

ECDA works with participating centres to design and implement community service projects over a period of six months, with the hope of making volunteerism a way of life for our young. In 2022, more than 75,000 children from close to 1,100 preschool centres participated in **'Start Small Dream Big'**.

We believe that children are never too young to contribute to the community. We are heartened to see many **'Start Small Dream Big'** projects that touch lives and effect change. Through these projects, our children learn to be kind, compassionate and active citizens. Parents and family members too play an important part in the children's efforts. We thank all of you for your support.

No one can do everything, but everyone can do something! It is our wish for the nation that every child do a good deed every day, to make the world a better place.

Read more stories from our **'Start Small Dream Big'** centres at:
<http://www.startsmalldreambig.sg>.

More information on Start Small Dream Big can be found at: <http://www.growatbeanstalk.sg>.
